(Hello, my name is _____. I am calling from Research Triangle Institute regarding a health study sponsored by one of the National Institutes of Health.)

We are conducting a research study regarding the experiences and opinions of cigarette smoking in the African American community. If anyone at this address is eligible and selected to participate in the full study, they would receive \$50-\$75 as a token of our appreciation.

We need to talk with smokers and non-smokers to better understand the risks of smoking. This call will only take a few minutes to determine if you or anyone else in this household are eligible to participate in the full study.

CONTINUE 1
